Please read and understand the following safety information before operating this unit.

The device is suitable for 12V power supply (requires grounding). Do not connect it to 24V power supply in trucks or buses, or else it will be damaged.

Please use genuine discs, instead of incompatible and poor discs, or else it will damage the device or shorten the service life.

Without the guide of qualified personnel, do not replace the fuse, or else it may damage the device or cause fire.

Please follow the traffic laws and regulations and do not watch program or operate the device when you are driving, to avoid accidents (excluding passengers watching through rear monitor).

To ensure safety and operate the device normally, please ask qualified personnel to install the device. Do not disassemble or repair the device without authorization, to avoid damage and accidents. Please contact local car audio distributor for details.

Do not put the device in moist environment or water, to avoid electric shock, damage and fire due to short circuit.

The mechanical drive part of the monitor uses automatic precision transmission component. Do not pull, push or rotate the device by force or impact the TFT screen to avoid damaging the device.

Do not insert the audio plug of the vehicle into the master unit directly. Please convert with the dedicated end cable provided by our company.

When install the unit, prevent metal objects falling into the master unit from the vents to avoid short circuit and damaging the device.

Safety Statement

For the safety of you and others, do not watch programs or operate the device when you are driving. It is prohibited by the laws and regulations.

The backing monitor function should be used as auxiliary means. We are not responsible for any accidents occurred during backing.

We hope you are enjoying your new BOSS Audio Systems Elite product. We are always working to improve our products and provide a great customer experience. We welcome your feedback. Please consider writing a review for your new product on our website. We look forward to hearing about your experience.
This BOSS AUDIO SYSTEMS ELITE MULTIMEDIA UNIT has a manufacturer's warranty against defects in materials and workmanship to the original purchaser for a period of three years from the date-of-purchase (DOP). This manufacturer warranty is non-transferable. The warranty is for repair or replacement at the sole discretion of BOSS AUDIO SYSTEMS (BAS). For service under this warranty you need to return the product to BAS. If replaced, BAS reserves the right to replace it with a new or reconditioned product of the same or similar design.

Obtain Warranty Service

Within the first 30 days from the original DOP, BAS will provide a return shipping label for any defective product shipped from within the 50 US States. After the first 30 days you are responsible for the freight charges incurred to send the product back to BAS. To send a product in for warranty service you will need the following:

- A Return Authorization number (RA#). Please contact our Customer Service to receive a RA#.
- A legible copy of the proof-of-purchase with your name, the name of the authorized dealer, the DOP and the model number of the product requiring service.
- Enclose a note stating the problem or issues with the product, your daytime phone number, email and return shipping address (within the USA, no P.O. Box please).

This warranty does not cover any product subjected to abuse, neglect, incorrect wiring, water or physical damage or any attempt to repair or modify the product by anyone other than an BAS Repair Technician. Any damages, resulting from legal action for breach of expressed or implied warranty shall be limited to the cost of the original purchase price of the product. All liability for coincidental damages are excluded under this warranty. The Customer agrees to retain the original proof-of-purchase for establishing the effective date of this warranty. If BAS or an Authorized Dealer replace your product under warranty, the replacement product shall be considered a transaction under the original warranty, and does not extend the original warranty period.

To register this product fill-in this form and mail this card to the address shown on the reverse side.

For online registration, see reverse side of this card for instructions.
