Installing the TV to the Wall

PROFESSIONAL INSTALLATION REQUIRED

This product should only be installed by a professional installer who is trained to determine the strength of the wall for withstanding the TV’s weight. If it is not properly secured during installation, the TV may fall and cause serious injury. Sony is not liable for any damage or injury caused by mishandling or improper installation, or installing any other than the specified product. Your Statutory Rights (if any) are not affected.

To Customers
Installing the Wall-Mount Bracket

Be sure to subcontract the installation to licensed contractors and keep small children away during the installation.

If the Wall-Mount Bracket or the TV is not installed correctly, the following accidents may occur. Be sure licensed contractors carry out installation.

- The TV may fall and cause a serious injury such as a bruise or a fracture.
- If the wall on which the Wall-Mount Bracket is installed is unstable, uneven, or not perpendicular to the floor, the unit may fall and cause injury or property damage. The wall should be capable of supporting a weight of at least six times the TV weight.

(Refer to your TV’s “Reference Guide” for its weight.)
- If the installation of the Wall-Mount Bracket on the wall is not sufficiently sturdy, the unit may fall and cause injury or property damage.

Be sure to subcontract moving or dismounting of the TV to licensed contractors.

If persons other than licensed contractors transport or dismount the TV, it may fall and cause injury or property damage. Be sure that two or more persons carry or dismount the TV.

Do not remove screws, etc., after mounting the TV.

If you do so, the TV may fall and cause injury or property damage.

Do not make alterations to the parts of the Wall-Mount Bracket.

If you do so, the Wall-Mount Bracket may fall and cause injury or property damage.

Do not mount any equipment other than the specified product.

This Wall-Mount Bracket is designed for use with the specified product only. If you mount equipment other than specified, it may fall or break, and cause injury or property damage.

Do not apply any load other than the TV on the Wall-Mount Bracket.

Do not shake the TV left/right, up/down.

If you do so, the TV may fall and cause injury or property damage.

Do not lean on or hang from the TV.

Do not lean on or hang from the TV as it may fall on you and cause serious injury.

Installing the Wall-Mount Bracket

To Sony Dealers

WARNING

The following instructions are for Sony dealers only. Be sure to read safety precautions described above and pay special attention to safety during the installation, maintenance and checking of this product.

Do not install the Wall-Mount Bracket on wall surfaces where the corners or the sides of the TV protrude away from the wall surface.

Do not install the Wall-Mount Bracket on wall surfaces such as a pillar, where the corners or the sides of the TV protrude away from the wall surface. If a person or object happens to hit the protruded corner or side of the TV, it may cause injury or property damage.

US
Do not install the TV over or under an air-conditioner.

If the TV is exposed to water leaks or air current from an air conditioner for a long time, it may cause a fire, an electric shock or a malfunction of the TV.

Be sure to install the Wall-Mount Bracket securely to the wall following the instructions in this instruction manual.

If any of the screws are loose or fall out, the Wall-Mount Bracket may fall and cause injury or property damage. Be sure to use the appropriate screws for the material of the wall and install the unit securely, using supplied screw and anchors.

Be careful not to subject the TV to shock during installation.

If the TV is exposed to shock, it may fall or break apart. This may cause injury.

Be sure to install the TV on a wall that is both perpendicular and flat.

If you fail to do so, the TV may fall and cause injury.

After proper installation of the TV, secure the cables properly.

If people or objects get tangled with cables, this may result in injury or damage to the TV.

Do not allow the AC power cord or the connecting cable to be pinched.

If the AC power cord or the connecting cable is pinched between the unit and the wall or is bent or twisted by force, the internal conductors may become exposed and cause a short circuit or an electrical break. This may cause a fire or an electric shock.

Be sure to use the supplied screws and attachment parts properly following the instructions given in this instruction manual. If you use substitute items, the TV may fall and cause bodily injury to someone or damage to the TV.

Be sure to assemble the bracket properly following the instructed procedure explained in this instruction manual.

If any of the screws are loose or fall out, the TV may fall and cause bodily injury to someone or damage to the TV.

Be sure to tighten the screws securely in the designated position.

If you fail to do so, the TV may fall and cause bodily injury to someone or damage to the TV.
Before installing the TV to the Wall

Your TV can be mounted to a wall using this Wall-Mount Bracket. If the Table-Top Stand is not attached to the TV, the TV may require attaching the Table-Top Stand first. See TV’s Setup Guide.

Prepare the TV for the Wall-Mount Bracket before making cable connections.

Wall-Mount Bracket Installation Instruction

The instructions for installing the TV on a wall using a Sony Wall-Mount Bracket can be found on the TV’s model page.
