- 6 HRS + 10 HR CHARGING CASE
- SWEAT & WATERPROOF (IPX7)
- SPORT FIT - SECURE & COMFORTABLE
- 5 MIN = 1 HR OF PLAYTIME
- PREMIUM SOUND WITH CUSTOM EQ
- MUSIC & CALLS

Please refer to the safety warnings for important product safety information prior to installation or use of the product.
IN THE BOX

- True Wireless Earbuds
- Charging Case
- USB Charging Cable
- Silicone Eargels (Size 1 / 2 / 3)
PRODUCT OVERVIEW

- Sport Fit Eargel
- Multi-function Button
- Microphone
- Magnetic Connectors
- Case Button
- Charging Case LED
For an assisted fit set up, please download the Jaybird App or visit www.jaybirdsport.com/support/vista

A. Your Vista earbuds are fitted with size 2 (medium) eargels out of the box. They are marked ‘L’ and ‘R’ for the left and right ear.

B. Place the earbuds firmly within your ears as shown in the illustration.

C. If your earbuds are not comfortable, feel loose, or too tight try alternative sized eargels (size 1 or size 3).

Be patient, it may take some time to get the perfect fit.

It is quite common to use different sized eargels in each ear.
Your earbuds will start charging as soon as you place them into the charging case and close the lid. The charging case LED will indicate the charging status:

**LED is pulsing white = Charging**
**LED is solid white = Fully charged**

A 5 minute charge gives you up to 1 hour of playback. A full charge of the earbuds can take up to 2 hours if charging them from a discharged state.
CHARGING – CASE

It takes about 3.5 hours from a fully discharged state to charge your case.

With the case closed, connect the USB-C charging cable to the front of the charging case. The case LED will indicate the charging status:

- **LED is solid red = charging case battery is low**
- **LED is pulsing white = Charging**
- **LED is solid white = Fully charged**
PAIRING
To pair to a Bluetooth audio device follow the steps below

A. Place both earbuds into the charging case and close the lid.

B. Open the charging case and press and hold the case button until the case LED starts blinking white.

C. On your Bluetooth audio device, go to Bluetooth settings and select ‘Jaybird Vista’. Once connected, the white charging case LED will turn off.
DETAILED INSTRUCTIONS

CONTROLS - ON/OFF

**AUTO POWER ON/OFF**

**Turn OFF** - Placing your earbuds into the charging case will automatically turn them off.

**Turn ON** - Removing your earbuds from the charging case will automatically turn them on.

When your earbuds are out of the charging case and are not being used they automatically power off after about 15 minutes.

**MANUAL POWER ON/OFF**

**Turn OFF** – Long press on either the left or right button will turn off both earbuds.

**Turn ON** – A single press or long press will turn on only that particular earbud. Repeat the same procedure on the other earbud to turn on the earbud.

OFF
To turn on the earbuds, take them out of the case or long press.

*You can customize a single or double press functions within the Jaybird App
The Jaybird App lets you do the following:

- Customize the sound profile of your Vista earbuds.
- Change the language for your earbuds’ voice prompts.
- Set up the ‘Find Your Buds’ feature to track the location of your earbuds.
- Use the ‘Find Your Fit’ feature to find the right fit for your earbuds.
- Update your earbuds when new features and improvements are available.

Your new sound settings are saved on your earbuds, so you can take your custom sound with you no matter where you go with any device you use.
DETAILED INSTRUCTIONS
THE JAYBIRD APP

SAVE
Save your new preset to your dashboard for easy access to all your favorite sound settings.

SOUND
Customize your sound settings. Changes are saved to your Vista buds.

MUSIC
Find playlists to power your run.

HISTORY
Track through a history of your changes.

DEVICE
See your connected device and battery status.

HEADPHONES
Adjust your settings on your buds.
FIND MY BUDS
Lost one of your earbuds? Find out where you left it in real time.

VOICE PROMPTS
Enable or disable voice prompts.

BUTTON CONTROLS
Customize your earbuds’ controls.

NAME
Rename your earbuds so you can easily find them on your devices.

TUTORIALS
Find tips on how to optimize the use of your earbuds.

DETAILED INSTRUCTIONS
THE JAYBIRD APP
With the right smartwatch you can leave your phone at home. Just sync music to your smartwatch and pair Vista to your smartwatch. Use your smartwatch user manual for instructions on how to pair a Bluetooth device.
You can use one (either left or right earbud) or both earbuds to connect to your audio device. If you use only one earbud leave the unused earbud in the case for best results.

For best Bluetooth performance, try to reduce the distance between your earbuds and your audio device. Try to have your audio device in an arm band, or in a belt pocket.
TROUBLESHOOTING

**Soft reset:** If your earbuds are not responding, place your Vista in the charging case, close the lid for at least 5 seconds and plug the case into charge. This will turn your earbuds off and perform a soft reset.

**Factory reset:** If that does not resolve your problem we recommend resetting your earbuds to their original factory settings. Before starting this process please **FORGET** or **REMOVE** your Vista device from the Bluetooth menu on all your connected audio devices.

**Hard reset:** If the battery has enough charge but the device does not turn on and you don’t hear any tones, press and hold the earbud button for 20 seconds and then release. Put the earbud back in the case, wait for 5 seconds, then take the earbud out of the case.

---

**A** Place both earbuds into the charging case and close the lid.

**B** Open the charging case and **press & hold** the **case button** until the case LED starts **blinking white**.

**C** While the charging case LED is **blinking white**, **press the button on the case twice**.

**D** The LED will **blink pink**. Once it stops close the case.

Your earbuds are reset and ready to pair. Go to your audio device Bluetooth menu and select “Jaybird Vista” to pair again.

*Playtime and standby time may vary due to usage conditions. Adding additional bass to your sound profile through the Jaybird app will reduce play time.
WARRANTY, WARNINGS & SAFETY

Full warranty, care & maintenance details at:
jaybirdsport.com/warranty +1.866.244.3399

WARNING: Due to the isolating characteristics of these earbuds do not use while driving, riding a bike or where vehicular traffic is present, or in any other activity where failure to hear surrounding sounds could be dangerous. Use of these earbuds at excessive volumes may cause permanent hearing damage. Always turn the volume down before use. Take caution in regards to inserting objects into ear canal, use at own risk. Do not wear the device while it is connected to a power source driven from main 110V or 220V lines.

WATERPROOF
Your Jaybird Vista earbuds feature an IPX7 waterproof rating. Vista earbuds are designed to handle rain, mud and outdoor adventures. Jaybird earbuds are not designed for swimming, showering or exposure to pool or ocean water. In case of exposure to salted or chlorinated water, rinse the earbuds gently with fresh water and air dry before use. The charging case is not water resistant, so please ensure your earbuds are completely dry before charging.

EARGEL CLEANING
Keeping your Jaybird earbuds eargels clean is essential for safe, hygienic use.

IMPORTANT: DO NOT attempt to clean the eartips without first removing them from the earbuds.
1. Firmly grip the eargel with one hand and the earbud with the other. Carefully remove the eargel from the earbud.
2. Use warm water and mild soap on a damp cloth to remove dirt and ear wax from the eargel. Do NOT use harsh cleaning agents.
3. Rinse and completely dry your eargel before placing them back on your earbuds.
4. Carefully push the eargel back onto the earbuds.
LISTEN RESPONSIBLY

Avoid excessive volume levels and prolonged periods of listening. Prolonged listening at excessive volume levels may cause permanent hearing disability.

Do not use around road traffic.

CARE AND MAINTENANCE

Clean eargels regularly of dirt and wax buildup. To clean, remove eargels from earbuds, then gently wipe away dust and oil with a dry cloth, and/or use warm water and mild soap to remove buildup. Rinse and completely dry before reattaching.

Before charging, ensure earbuds are completely dry of sweat and water.

QUICK START

To pair your Jaybird Vista to your phone, follow these steps.

1. Open the Vista case. Press & hold the case button until the LED turns on.

2. Go to your phone's Bluetooth menu and select Jaybird Vista.

3. Download the Jaybird App for a guided setup and fitting.
FIT

For an assisted fit setup, please download the Jaybird App or visit www.jaybirdsport.com/support/vista

Start with the pre-installed size 2 on the earbud.
- If the earbud does not feel secure enough please try size 3.
- If you feel some discomfort or pressure, please try size 1.

It is not uncommon to use a different size in each ear.
Download the Jaybird app to customize your button controls.

AVISO! A EXPOSIÇÃO A RUÍDOS ACIMA DE 85 DECIBÉIS POR LONGOS PERÍODOS DE TEMPO PODE CAUSAR DANOS AUDITIVOS. PROTEJA A SUA AUDIÇÃO UTILIZANDO ESTE EQUIPAMENTO EM UM NÍVEL DE VOLUME SEGURO.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any received, including interference that may cause undesired operation.

Complies with IMDA Standards DB101104
Protégez votre audition pendant l'utilisation.
- Si vous utilisez des écouteurs avec un système audio instable ou inhabituel (avion, ports à accès public, etc.), assurez-vous que le volume reste faible et modéré en cas de pics de volume "soudains".
- Si les écouteurs vous gênent ou si vous avez du mal à insérer les embouts, retirez-les.
- Si vous les portez, retirez les embouts et nettoyez-les avec des lingettes antiseptiques avant et après utilisation.

Les troubles de l'audition peuvent apparaître progressivement et s'accumuler. Vos oreilles peuvent s'adapter au fil du temps à des volumes sonores plus élevés, ce qui peut à la longue endommager votre audition. Certains troubles de l'audition ne sont pas précisés de signes avant-coureurs. Cependant, des tremblements ou bourdonnements d'oreille, des difficultés de compréhension du discours, une sensation de pression ou de bouchon à l'intérieur de vos oreilles ou l'écoulement des sons peuvent être des signes de troubles auditifs. Si vous ressentez l'un de ces symptômes, consultez votre utilisation des écouteurs.

AVERTISSEMENT RELATIF AUX BATTERIES: Un remplacement incorrect des piles peut présenter des risques de fuite, d'explosion et de blessure. Les piles rechargeables peuvent présenter des risques d'incendie ou de brûlure chimique si elles ne sont pas manipulées correctement. Ne les court-circuiter. Ne pas les exposer à des températures supérieures à 50 °C. Ne les utiliser que dans un access public. Les piles doivent être remplies dans un conteneur en plastique ou en carton. Ne pas les jeter avec les ordures ménagères. Logitech propose un programme de retour pour les batteries usagées.

Consignes d'utilisation: Sécurité et utilisation correctes de votre produit
- AVERTISSEMENT: Le produit comporte de petites pièces détachables qui peuvent provoquer des étouffements, des blessures graves ou des décès, en particulier chez les enfants. Faites preuve de précaution au moment d'utiliser ou de manipuler ces petites pièces, et conservez-les hors de portée des enfants de moins de 4 ans.
- N'utilisez pas vos écouteurs dans un environnement où il peut s'avérer dangereux de ne pas entendre les bruits ambients.
- N'utilisez pas vos écouteurs lorsque vous conduisez ou travaillez sur des machines.
- Ne modifiez pas le produit. Ne démontez pas le produit ou n'essayez pas de l'entraîner vous-même.
- Ce produit n'est pas destiné aux enfants et n'est pas adapté aux enfants âgés de moins de 14 ans.
- Ce produit est sûr dans des conditions d'utilisation normales et raisonnables prévisibles. En cas de dysfonctionnement du produit, contactez l'assistance technique Jaybird. Le produit doit être renvoyé à Jaybird pour tout entretien ou réparation.
- Conservez l'équilibre dû des dispositifs et objets susceptibles d'être endommagés ou affectés par de puissants champs magnétiques. L'aéronautique peut créer des interférences avec certains dispositifs médicaux.
- Reportez-vous au guide de démarrage rapide du produit pour les consignes d'utilisation. Pour obtenir des informations complémentaires, veuillez vous reporter à la page de support technique du site Web de Logitech (www.logitech.com/support).

Conformité Logitech. Pour les mentions de sécurité, EMC et RF relatives au produit, rendez-vous sur www.logitech.com/compatibility. Ce dispositif ne requiert aucun entretien pour rester en conformité.
